

When it comes to **Army loss rates,**
hundreds of Soldiers are
breaking new ground.

The facts are shocking. The numbers are staggering. One Soldier dies every nine hours. This is your wake up call.

Composite Risk Management, or CRM, is the most effective way to reduce accidents, decrease fatalities, and improve your Soldiers' readiness so they can be more aggressive by making better-informed risk decisions.

CRM takes your Soldiers who are on the edge and enables them to Own the Edge no matter where they are in the fight.

Take control now by practicing CRM.

And help your Soldiers stand on more solid ground.
